

Shipmate, June 1995

John H. "Jack" Wright of Silver Spring MD has expressed his gratitude to the Class (for the '40 blue-and-gold floral display and the presence of Father **Dick Heath** and **Bill Carpenter** at Kathleen's final service) and added:

...the children are also most appreciative:

George (USNA '66, where did I go wrong?),
Anne, Charlie, Martha, John (NOT a junior!),
Mary, Katie, Monica and Maureen. #4 son Herbie,
checked in for a 3- hour look around, and checked
out—from respiratory failure or fright at seeing
us... I'm not quite sure...Nothing...had prepared me
for the intense lingering loneliness that I expect I
will be feeling for quite some time, despite the
almost baby-sitting-like support from our
children...

That says it all, Jack God bless.
